

Signing up with the Shop-with-Scraps Card Program

Ordering gift cards through the scraps program is a great way for your student to earn individual income towards their band fees. There are pages and pages of vendors available. If you're going to shop at these institutions – you might as well order cards to pay and earn money at the same time!

Orders will be due on the 1st Monday of the month.

The best way to pay is to set up **PRESTOPAY** when you set up your account. Checks and cash payment to the GBB is also accepted.

There are also rechargeable cards available and instant scripnow e-cards. These are filled/issued immediately, so you don't have to wait until the larger bulk order goes in. You must use PRESTOPAY to take advantage of these.

For any questions or more information, contact the GBB Scraps liason:
